

Instructions for activity 5

In this group you are going to be creating a poster for younger children to help them stay safe on the internet. Think about what you saw in “The Adventures of Kara, Winston & and the SMART Crew”.

To be successful at this activity you must:

- 1) Think about what you want to include on your poster before you begin.
- 2) How will you make your poster attractive to look at? Will you include interesting questions? Speech bubbles? Characters from the animation?
- 3) Include some really useful advice about staying safe online.

Here’s an example poster:

Can you design a better poster?
