

TOP TIPS: DIGITAL FOOTPRINTS

- Treat your password like your toothbrush don't share it with anyone and change it often.
- Always remember to logoff when you have finished with an online service.
- Use our great sites section to find the best areas of the net.
- Use your own digital footprints to remember your favourite websites like the history button and your bookmarks.
- Remember that most of the websites you visit will make a note of your visit and may also track the websites you visit before and after their website!
- Let an adult know if anything you read or see makes you feel worried or upset.
- Look at our film that tells you how to save a conversation on MSN.
